Bulletin No.2

24th July 2004

Dear Competitor

2004 AEMC STANSTED MOTORSPORT SPRINT CHAMPIONSHIP

Just where does the time go, it is almost the end of July and over half the season has gone by. I have not been able to get to as many rounds as I would like due to work on the house needing to be done. However it is good to see the number of registrations continues to rise, we have now reached 110.

Attached is an update of the points table, regularly updated on the web site. As usual if you spot an error or omission then please let me know and I will check and correct the table if necessary. You may also notice that the Wethersfield round on August Bank holiday is shown as cancelled, once again the venue owner has declined to let West Essex run there due to the continued security situation.

Looking ahead to 2005, I would like to hear form anyone who has views on class structure; events chosen for the championship; the number of rounds in the championship and the points scored. I also am aware that such things as List 1B tyres are of concern to some competitors. If you don't let me know what is wrong I cannot do anything about it.

Yours sincerely

Chris Deal
AEMC Sprint Championship Co-ordinator
