Bulletin No.3

1st August 2005

Dear Competitor

2005 AEMC STANSTED MOTORSPORT SPRINT CHAMPIONSHIP

Please find attached the latest points bulletin of the year. Please make sure I have got your scores correct. If you believe I have made an error please let me know.

We have gained a couple of late registrations bringing the total number of registrations to 124 and a few more of you have scored points. However there are not many rounds left for the rest of you, so you had better hurry up and get those entries in.

I have received a few views on possible changes for 2006, but would welcome more even if it is to say that you are happy with things as they are. Comments welcome on the number of events; the class structure; the modifications allowed or not allowed; points allocation etc. I hope to have any changes and a provisional calendar for 2006 agreed by the end of September this year.

The search for a new sponsor for 2006 and beyond goes on. Base on a three year sponsorship the cost is £1,200 for the first year and £600 for the following two years. The extra amount in the first year is to pay for championship stickers and banners and other artwork etc. So if you know someone who may be interested please put them in touch with me.

Yours sincerely

Chris Deal
