

Dear Supporter

LATEST NEWS FROM THE NORTH WEALD AIRFIELD USERS GROUP

We promised to keep you up to date with events and to advise you when we need help. The time has come for more of your help please!

EFDC MEETING MONDAY 21 FEBRUARY 7.30.p.m. CIVIC OFFICES, EPPING

The Epping Forest District Council (who, as you know own NW Airfield) are to hold a Public Meeting to discuss RSS 14 and the implications for North Weald.

We want to get as many people as possible to this meeting and to this end have advertised in the local papers and issued press releases. Clearly the greater the numbers that turn out the better.

May we, therefore, ask for as many of you as possible to turn up?

The Civic Offices are the new buildings at the North Weald end of Epping. The EFDC are already concerned about space and have even promised to hold two meetings if necessary! Please make every effort to attend.

We need to make it clear to them the amount of opposition to these plans.

FINACES

We are moved by the generosity of our supporters following the appeal for funding last month. We are especially grateful to the North Weald Modelers who donated in excess of £1,100. We even received contributions from the USA from people who had visited NW whilst in the UK!

However, we are still looking for further support, so if you have anything left, following other major appeals recently, we would be extremely grateful.

Contributions can be sent to:

NWAUG
Hangar 39
North Weald Airfield
Epping
Essex

Thank you, and we look forward to seeing as many of you as possible next Monday!

The Team at the North Weald Airfield Users Group
