Dear Championship Contender

2006 MO MOTORSPORT/HANGAR 111 AEMC SPRINT CHAMPIONSHIP – BULLETIN 2

The first item of news is North Weald again – Harrow CC have confirmed that their May date is cancelled due to a clash at the venue and that their September date is likely to move to Sunday 3rd September, which I will confirm in a later bulletin. The good news is that the Sevenoaks event on 20th August is confirmed as ok. At present I do not propose to replace the lost event.

So four events down and 15 to go. Points scored on the first four events are shown on the attached table, remember you can keep up to date by checking out the AEMC web site. I know it is early days but I would be interested to hear views on the new points system – have we got it right or do we need to change it for next year, let me know.

A reminder about **EXTRA AWARDS** - There are a couple of extra awards this year.

- The first is for the best placed Lotus car courtesy of Hangar 111 one of the championship co-sponsors. No need to register for this I will keep track of those eligible.
- The second additional award is a set of tyres from **TOYO** tyres provided you compete using their tyres of course. You will need to register with me and I will arrange supply of **TOYO** tyre stickers which need to be displayed on your car whilst competing. The tyres can of course be obtained from Hangar 111. The award goes to the registered competitor who scores the most points based on 75% of their best 10 scores and if you do not do 10 events it is 75% of those that you do.

Finally why not checkout our sponsors and see what they can do for you. M.O. Motorsport and Hangar 111 are both based near Ipswich. Also check the AEMC web site for updates of the championship points as the site will be updated regularly.

Yours sincerely

Chris Deal
