HERTS COUNTY AUTO & AERO CLUB

Debden Summer Sprint Debden Airfield, Essex Sunday 15th July 2007

Herts County Auto & Aero Club is proud to present the second of our three sprints to be held this year at Debden airfield, which is part of Carver Barracks, home of the 33 Engineer Regiment (Explosive Ordnance Disposal).

The course is over a mile long with interesting and fairly fast left and right bends.

The airfield where our course is situated, is separated by a security fence from Carver Barracks. We have no access to the Barracks. Everybody attending will need a special entry ticket, provided by the club, and must come in by the marked gateway as sign-posted on the day. This is a *different* entrance from the main entrance to Carver Barracks.

Please note that overnight camping is not permitted

If you cannot compete, have you thought about marshalling? Marshals are always welcome and, as spectators will not be allowed, marshalling will ensure that you can enjoy a good day's sport. As an incentive all marshals that sign on will receive a free lunch voucher for use at the catering vehicle.

No experience is necessary, as we have a competent leader for each post. If you are interested, please contact Lionel Reeves, Tel: 01920 823195 email: info@hertscountyaac.co.uk or our Chief Marshall.

Offers of help with setting up on the Saturday prior to the event would be most welcome (from 2pm).

SPECIAL NOTICE

The Debden Sprint Circuit is at risk of losing its Motor Sports use licence. Complaints of noise nuisance have been made to Uttlesford D.C. The problem has been caused by a combination of a number of different events such as Stage Rallies, Karting, as well as the Sprints run by H.C.A & A.C.

We have managed to negotiate with the Environmental Health Dept. of Uttlesford D.C. the use of the venue for sprint events. However, we have had to concede on a number of matters as follows:

1. No competitor should attempt to arrive before 07.30 a.m.
2. Modified cars and Racing cars shall not start or run engines before 09.30 a.m.
3. Timed practice will not start before 09.30 a.m.
4. No tyre warming will be permitted.
5. A 45 min. lunch break shall be provided between timed practice and the timed runs.
6. The timed runs must be complete by 17.30 p.m.

See Section 10 of these supplementary regulations for details of the noise limits. Competitors co-operation with the above is essential if we are to retain the use of this venue. Please help us to provide you with a much enjoyed circuit.

Dogs and spectators are not permitted at this meeting.
