Dear Championship Contender

2007 MO MOTORSPORT/HANGAR 111 AEMC SPRINT CHAMPIONSHIP – BULLETIN 3

Unfortunately Harrow Car Club could not agree a replacement date for their event planned for 20th May so it is cancelled and will not be replaced.

Enclosed is the points table for the first 5 rounds of the championship. As usual if you spot and mistakes let me know and I will correct them.

For those that may need to contact me please note that my work phone number will be changing around the end of May due to yet another office re-location. So if you do not get an answer on that number please use the mobile.

There is still time to register for the TOYO tires award, so if you haven't and want to please get in touch.

In the last bulletin of 2006 I mentioned that I was looking for some assistance at events as I am not able to attend them all. I also informed the AEMC that I may not be able to continue beyond the end of this year and I mentioned this to those competitors present when I handed out the awards recently and now I am writing to all championship contenders to advise you that I may not continue beyond the end of the year unless some assistance is forthcoming. I am quite happy to organise and administer the championship, but what is needed some publicity at events and that is where the help is needed.

Finally why not checkout our sponsors and see what they can do for you. M.O. Motorsport and Hangar 111 are both based near Ipswich. Also check the AEMC web site for updates of the championship points as the site will be updated regularly.

Yours sincerely

Chris Deal
