Dear Championship Contender

#### **2007 MO MOTORSPORT/HANGAR 111 AEMC SPRINT CHAMPIONSHIP – BULLETIN 4**

Enclosed is the points table up to and including round 13 of the championship. As usual if you spot any mistakes let me know and I will correct them. It is good to see that there are some competitors who have to drop scores as they have already done 10 events and will now be looking to get to the perfect score of 1000. With seven events to go there is still plenty of room for improvement.

In the last bulletin I mentioned a change of work telephone number due to office re-location, well it finally happened at the end of June and the new number is shown in the heading above.

I am pleased to say that there has at last been an offer of help on events, so I may not carry out my threat to resign at the end of the year. I hope to be able to sort out the logistics with my assistant after a short summer break and if all goes well you should see more regular updates concerning the championship on events.

As always if anyone has any comments about the championship, good or bad, then please let me know.

Finally why not checkout our sponsors and see what they can do for you. M.O. Motorsport and Hangar 111 are both based near Ipswich. Also check the AEMC web site for updates of the championship points as the site will be updated regularly.

Yours sincerely

Chris Deal
