Dear Championship Contender

### 2008 HANGAR 111 AEMC SPRINT CHAMPIONSHIP – BULLETIN 3

Registrations have topped out at 75, somewhat down on last year. Details of the points scored so far can be found enclosed (separate file if you are getting this via email). As always if you spot an error let me know and I will look into it.

I have been advised by Sutton & Cheam MC that they have cancelled round 12 of the championship on 6th July at Longcross due to insufficient entries to make the event viable. I have therefore decided to substitute it with Borough 19 MC's Cadwell Park event on 13th September.

Just a reminder to anyone using TOYO Tires to let me know so that I can include you in the calculations for the chance to win a set of their tyres at the end of the season. In return you must display their stickers on your vehicle.

If you need to speak to me during the working day please note that I have changed my work telephone number again.

Finally why not checkout our sponsors and see what they can do for you. Hangar 111 has relocated over the winter. Also check the AEMC web site for updates of the championship points as the site will be updated regularly.

Yours sincerely

Chris Deal
