Dear Competitor,

In what some may seem as a difficult year for finances, the turn out for the championship has been excellent with 48 registered contenders, up from 38 the previous year. Thank you all for coming out and supporting these events.

The results are on the reverse of this sheet, please look over them, it has been known for me to input the occasional wrong digit as I learn how Excel works! I see from the results and awards list, that Aron Rayner has been multitasking by driver and co-driving, though I hasten to add not at the same time!

The awards will take place on the first event of the year, 24th January at Bentwaters. This new event to the championship and to stage rallying will be a great edition with a hint of snow being possible. Wrap up warm, and if there is no filming taking place, we hope to be able to use an area that is under cover to present the awards.

For next year, the points system and how there are awarded have been reviewed to try and reflect and recognise the performance of the crews, something that you have given feedback on. Also with this feedback, the number of events in next year's championship have been reduced to ten with 6 events still to count towards the overall score. The event that have been proposed are listed below:-

The Malcolm Watson event held in April has a new format of being a two day event, making this a very sociable event for us all to attend. With two other championships joining in the actions, this will be a fantastic event to take part in.

May I take this opportunity and thank you all for your support over this last year. It leaves me only to wish you all a Merry Christmas and a Happy New Year

Best regards,

Rob Cook
