

## 2003 AEMC AUTOHIRE of STANSTED SPRINT CHAMPIONSHIP

With 12 of the 24 rounds having now passed into history I thought it time to update everyone on progress so far.

There are 91 registered contenders in the championship from 14 different Clubs affiliated to the AEMC and so far 70 competitors have scored points on at least one round of the championship, which is sponsored by Neil Munro from Autohire of Stansted.

We have so far lost four rounds of the championship, two at Wethersfield due to the Iraq situation; one round at Butley Park (Bentwaters) and one at Lydden, both due to a lack of entries.

I have also been informed that the future events at Wethersfield (25<sup>th</sup> August) and Butley Park (13<sup>th</sup> September) have also been cancelled. As a result the remaining rounds of the championship are as follows:-

2<sup>nd</sup> August – Lydden, Tunbridge Wells MC  
3<sup>rd</sup> August – Hethel, Boro 19 MC  
10<sup>th</sup> August – North Weald, 7Oaks & DMC  
6<sup>th</sup> September – Lydden, Boro 19 MC  
21<sup>st</sup> September – North Weald, Boro 19 MC  
28<sup>th</sup> September – North Weald, Harrow CC  
5<sup>th</sup> October – Debden, Herts County A&AC  
25<sup>th</sup> October – Lydden, Rochester MC

Below I have listed the top four in the overall championship at present, followed by the class positions.
