

Reproduction of an e-mail from Allan Dean-Lewis (28th October 2003)

In early 2004, the MSA will be running a series of seminars around the country for Club Officials, (which typically includes event secretaries, non-licensed clerks of course, club stewards, championship co-ordinators, and other unlicensed club officials). The content will be based on the role of the event official.

Letters of invitation were circulated to all MSA Recognised Clubs during October 2003, but if your Club has not received this, or if you are not aware of the seminars and wish to attend, a copy of the invitation letter may be requested from smurray@msauk.org

Please note that only one completed reply slip (with a maximum total of six names thereon) can be considered from each club.
