***From the Organisers***

*Congratulations to the award winners and better luck to everyone else next time.*

*We would like to thank all the Competitors for turning out, all marshals for standing out in the dust and the officials for helping to run the event and the Burrs for the venue.*

*We look forward to seeing you all again on 5<sup>th</sup> October when we return to Holly Hill Farm using a different field with hopefully a shorter drive from the road, so we cannot promise the added entertainment of watching the M25 caravan autotest.*

*The Organising Team*
