Bulletin No.4

21st October 2005

Dear Competitor

2005 AEMC STANSTED MOTORSPORT SPRINT CHAMPIONSHIP

Please find attached the last points bulletin of the year. Please make sure I have got your scores correct. If you believe I have made an error please let me know. Assuming I have got the numbers correct it is congratulations to Chris Fulke-Greville for a second year. I will in due course advise the award winners along with details of when I will present the awards.

2006 CHAMPIONSHIP

The class structure and technical regulations for 2006 will remain as for 2005. I will however be overhauling the points system. The points scored will be relative to the best in class, so if you win the class you will get 100 points and if your time is 95% of the best class time you will score 95 points. There will need to be some reduction where the classes do not have six starters. All will be detailed in the championship regulations published at the end of the year. Dates for 2006 are still not totally settled yet, so again these will be in the regulations published at the end of the year.

The search for a new sponsor for 2006 and beyond goes on. Base on a three year sponsorship the cost is £1,200 for the first year and £600 for the following two years. The extra amount in the first year is to pay for championship stickers and banners and other artwork etc. So if you know someone who may be interested please put them in touch with me.

2007 CHAMPIONSHIP

In order that everyone has sufficient notice we are considering not allowing cross-ply tyres from List 1B and allowing cars without reverse gear in the road going kit car classes. Class 10 may also be withdrawn if it does not receive enough support in 2006.

Finally please note my new work telephone number applicable from 31st October.

Yours sincerely

Chris Deal
